

Welcome Volunteers!

"Windy Ridge Needs You!"

The ADDitions Team would like to welcome you to a new school year. The staff, students, and teachers of Windy Ridge sincerely appreciate your commitment to education and your desire to help.

Our Volunteers Make Windy Ridge a Wonderful Place!

Please Register as an ADDitions Volunteer.

Whether you are a new or returning volunteer and whether you plan to volunteer at school every day or for just a few hours, or attend field trips, you **MUST** register as an ADDitions volunteer. Please visit volunteer.ocps.net to fill out your online application as soon as possible. If you are having any difficulty registering, please contact Tina Lupo at 407-296-5100 ext. 2233 or christina.lupo@ocps.net.

Please Sign in Every Time!

Each time you volunteer at Windy Ridge you must enter the school through the front doorway and sign in at the volunteer computer at the front desk. This will enable you to print out a nametag that identifies you as a registered volunteer. This is for the safety of our students and staff, and provides you coverage under the school board's Comprehensive General Liability Policy. You will not be able to sign in as a volunteer until you have completed your ADDitions application. When you sign out, the computer will automatically calculate the amount of time you have spent volunteering. Tracking our volunteer hours is important for school awards and grants, so if you spend time doing volunteer work for Windy Ridge while you are not on campus, please visit volunteer.ocps.net to enter your hours from home. If you have any trouble, please email Tina Lupo to report your hours so that she can keep an accurate count.

Sorry, No Siblings

For the safety of all children, Orange County Public Schools prohibits us from allowing siblings to accompany you to Windy Ridge while you are volunteering. Siblings are welcome to attend school events, such as plays, musicals, sporting events, etc. If you have any questions about a specific event the front office will be able to clarify for you.

Upcoming Dates: Mark Your Calendars

October 30 Dads and Donuts

We'll provide donuts, juice and coffee in the morning before school for dads to share with their children and meet other parents. Grandparents are welcome too!
