**Words from the President**

First of all I would like to thank all the Homeroom Reps and volunteers who helped us give the Teachers and Staff a wonderful luncheon in January. We put out the call for help, and boy did you deliver! This was truly a school wide volunteer event and the teachers and staff felt appreciated by you all!

It's hard to believe we're into February already. This school year seems to be flying by, but it's not over yet, there are still lots of big and exciting things left to do. FCAT Writes is just finishing up for our 4th and 8th grades and the regular portion begins in March. We know our children are working hard and will do great on the tests!

Another big event coming in March is a new event from the PTA that we are very excited about. We are having a "We Made it Through FCAT", Movie Night, after a quick PTA meeting. That's right, everyone is invited to come and unwind under the stars. Bring your lawn chairs, coolers (non-alcoholic beverages only!), picnic baskets, blankets and whatever else you want, and come to movie night in the back field and pavilion. The PTA is providing the REALLY BIG SCREEN, and the family friendly movie. We will also be

selling popcorn, cotton candy and snow cones, with all the proceeds going to the Nurse's Fund. The date is Wednesday, March 26th, 6:30 p.m. Make sure to come, it promises to be a really fun event and a great way to kick off Spring Break!

Spring Fling is back on April 25th. We are looking forward to a wonderful carnival again this year. And May also has loads of events. Teacher Appreciation week, a Science Fair, Band and Drama performances and we are planning our Camp Night again. Keep checking the PTA and school web sites for exact dates and times.

As always, we want to thank you for all your help and support this year. Our school is so lucky to have such involved parents. Keep reading your PTA, School and Teacher's newsletters and web sites to keep you informed about dates and events. Keep checking Progress Books weekly to stay informed about your child's school work and assignments. Together we can make this another A+ school year!

Sincerely,
