**Closing Words from the President**

The past two years have been such a wonderful time for me. I have thoroughly enjoyed my terms as president. It has been a fun, exhausting and hopefully productive time. Working with the teachers, parents and administration to help improve the school, and school experience for all of us, continues to be the goal of the Windy Ridge PTA and I am thankful to have been a small part of that process.

Through your generosity of spirit and hard work, this year has been very successful. The Spring Fling was the most successful event ever! Because of that event as well as the rest of the events, fundraisers and community nights the PTA sponsored throughout the year we were able to gift some amazing things to the school. Helping out in all areas of the school and touching all grade levels.

I would also like to acknowledge that this was not a single person's effort. This year's PTA board was hard working, generous with their time, hard working, and were always up for a challenge. I would like to thank them for all their help and support throughout the year. I know that we will all be there to help and support our new President, Rene' Weising as she takes on the role of leader. Please join me in welcoming her and offering her the same support and dedication you have shown me.

Thank you again, and have a wonderful summer!

Sincerely,

Mindy Bender  
 2007-2008 PTA President
